EXPERIENCE

2026 - Present

Cashi • Senior UI/UX Designer

Own core money flows including onboarding, send, deposit, rewards, and transaction detail; build the design system that keeps design and codebase aligned; and own user-facing copy across six languages.

2020 - 2026

Pintu • Senior UI/UX Designer

Owned major Pintu app and web touch points; led research plans, user interviews, prototype testing, design-system maintenance, and engineering handoff. Created a token radar on web3 that increases swap conversions by about 35%.

2019 - 2020

YukStay • UI/UX Designer

Designed web, tenant iOS and Android, agent, owner, and admin experiences for the property platform.

2019

deGadai • UI/UX Designer

Designed end-to-end products for users and agents, plus admin and finance dashboards. Created information architecture, content strategy, wireframes, and high-fidelity designs.

2018 - 2019

... Salad Dressing Landscape, US&P Architect

Early career as an architect.
